

Terms and Conditions of Sale

merconics GmbH & Co. KG ("merconics")

Terms and Conditions of Sale

1. GENERAL. Orders are accepted by merconics and Subsidiaries ("Seller") subject to these terms and conditions. In case of a conflict, inconsistency or addition not expressly accepted in writing by Seller, the terms and conditions of sale provided herein shall be considered as superseding the conflicting, inconsistent or additional terms stated in Buyer's purchase order, order form, contract or otherwise. The acceptance of an order will supersede all prior communications and constitute a complete and binding contract between the party purchasing equipment hereunder ("Buyer") and Seller, which contract cannot be modified or canceled without the written agreement of both parties.

2. SHIPMENT. Seller shall attempt to comply with, but will not guarantee, shipping date and loading and routing instructions. Seller reserves the right to allow or prorate shipments against all orders whenever, in its judgment, an oversold condition exists as to any particular product manufactured or sold by it. In the event of a default by Buyer, Seller may decline to make further shipments without waiving any of its rights under such order. If, despite such default, Seller elects to continue to make shipment, its action shall not constitute a waiver regarding, or otherwise diminish, Seller's legal remedies with respect to such default or any future default.

3. TITLE AND DELIVERY. All sales are made FCA factory (ex works), Incoterms 2010 and Buyer shall pay all freight, duties, cartage and handling. Title and risk of loss or damage shall pass from Seller to Buyer upon Seller's putting the material purchased hereunder in good condition into the possession of a common carrier, such carrier acting as Buyer's agent. All claims for damages must be filed with the carrier.

4. PRICES. Irrespective of any prices quoted by Seller or listed on Buyer's order, an order is accepted only at the prices shown on Seller's written quotation (the "Quotation"). Installation of utilities required for equipment is not included in the specified price.

5. PAYMENT TERMS.

(a) Invoices are payable at the place set forth in the Quotation or the invoice no later than thirty (30) days after the date of the invoice. Any exchange charges, any charges for nonpar clearance of checks or collection charges (including reasonable attorneys' fees) will be paid by Buyer. Any amounts not paid when due will bear interest at a rate of 6 % per annum or, if lower, the maximum rate permissible by law.

(b) All orders are subject to credit approval by Seller. The amount of any credit extended by Seller to Buyer may be changed, and such credit may be withdrawn by Seller. With respect to an order on which credit is not extended by Seller or, if extended, is subsequently withdrawn, shipment or delivery shall be made, at Seller's election, cash with order (in whole or in part), C.O.D., letter of credit or Sight Draft attached to Bill of Lading or other shipping documents, with all costs of collection (plus 18% interest on Sight Drafts not paid at maturity) for the account of Buyer. If, in the judgment of Seller, the financial condition of Buyer does not justify continuation of production or shipment on the terms of payment originally specified, Seller may require full or partial payment in advance. In the event any proceeding is brought by or against Buyer under any bankruptcy or insolvency laws, Seller shall be entitled, in addition to any other remedies at law or in equity, to (i) stop or divert any shipment in transit, (ii) cancel any order then outstanding and/or (iii) receive reimbursement for its cancellation charges.

(c) Each shipment shall be considered a separate independent transaction, and payment therefor shall be made accordingly. If for any reason Buyer is not prepared to accept delivery of goods, Seller may store the goods at Buyer's expense and risk in the name of Buyer, and such storage shall constitute shipment and delivery to Buyer.

6. TAXES. Quoted prices do not include federal, state or local excise, sales, use or similar taxes. Accordingly, in addition to the prices specified on the Quotation, the amount of any applicable excise, sales, use and/or similar taxes will appear as separate items on the invoice and will be paid by Buyer unless prior to shipment Seller receives an appropriate tax exemption certificate from Buyer.

7. CUSTOMER SPECIFIC ACCEPTANCE ("CSA"). Except as provided in the Quotation, Seller's standard commercial factory acceptance test(s) performed at Seller's factory will comprise acceptance for the equipment sold by Seller. If the Quotation references CSA provisions, then Buyer will accept the purchased equipment in accordance with such CSA provisions. The parties will give priority to achieving CSA and the purchased equipment shall not be used by Buyer for material production, for development of new processes or for any purposes other than achieving CSA, prior to successful completion or waiver of the CSA provisions. Any such use of the equipment prior to successful completion of the CSA provisions shall be deemed to constitute CSA passage. It is the responsibility of the Buyer to ensure that all the required facilities are ready and site preparation is completed for successful commencement of CSA on delivery of the equipment. If CSA has not been commenced within 30 days after delivery and completed within 60 days after delivery (through no fault of Seller), the equipment shall be deemed accepted and as having achieved CSA.

8. FORCE MAJEURE. Seller shall not be liable for failure to perform occasioned by strikes, lockouts, labor difficulties, riots, inability or difficulty in obtaining or procuring supplies, labor or transportation, fires, storms, floods, earthquakes, explosions, accidents, acts of God, interference by civil or military authorities, whether legal or de facto, acts of the public enemy, war, rebellion, insurrection, sabotage, embargoes, orders given priority by any public authority or any other cause beyond the reasonable control of Seller.

9. PATENTS. If a third party claims that the purchased equipment infringes that party's patent or copyright, Seller will defend Buyer against that claim and will pay all costs, damages and attorneys' fees that a court finally awards, provided that Buyer: (a) promptly notifies Seller in writing of the claim, and (b) allows Seller to control, and cooperates with Seller in, the defense and any related settlement negotiations. If such a claim is made or appears likely, Seller, at its option, may obtain a license to enable Buyer to continue to use the product, may modify the product or may replace it with one that is functionally equivalent. If Seller determines that none of these alternatives is reasonably available, Buyer will return the product to Seller upon Seller's written request, in which case Seller will credit Buyer with an amount equal to the price paid for such product less a reasonable amount for depreciation. Seller's liability is limited to repair, replacement or adjustment as determined by Seller. Seller shall not be liable for any claim based on (i) anything Buyer provides which is incorporated into a product, (ii) Buyer's modification of a product or use thereof other than in its specified operating environment, or (iii) the combination, operation or use of a product with products provided by other manufacturers or other products not provided by Seller as a system. This is the exclusive warranty and liability of Seller with respect to intellectual property matters and is in lieu of all other warranties and remedies, express or implied. Sale of products or parts thereof does not confer on Buyer any license relating to (a) the structure of any devices to which the products or parts may be applied or (b) a process or machine in connection with which they may be used.

10. RESCHEDULING. If Buyer has any rescheduling rights, such rights shall be as set forth in Exhibit A.

11. CANCELLATION. If Buyer has any cancellation rights, such rights shall be as set forth in Exhibit A.

12. ASSIGNMENT. Buyer shall not assign this order or any portion thereof without the prior written consent of Seller.
